

## BIRCHWOOD FARMS GOLF & COUNTRY CLUB

Birchwood Farms Golf & Country Club is a residential community of distinctive homes, condominiums and building sites. Undeveloped lots are available in all imaginable surroundings, such as water views, secluded spaces among the trees or golf course settings.

At Birchwood, ownership provides membership to our exclusive amenities, which are unrivaled by any community in Northern Michigan. Precluding these amenities is the lifestyle that Birchwood offers its residents. The natural beauty of the area adds to the special feeling that is generated when arriving in northern Michigan.

Birchwood offers over 800 picturesque home sites, 27 spectacular holes of golf, six clay tennis courts and four hard surface courts, swimming pool with children's pool, playground area, cross-country ski trails and walking trails, fitness center, and a full-service clubhouse with premier dining. Finally, our full-service golf facility with its multiple practice areas and golf shop will exceed even the most discriminating needs.

For some, our community is a home away from home or a getaway between Friday and Monday. For others, it's a year-round lifestyle. We invite you to find exactly what you are looking for at Birchwood Farms Golf & Country Club.
